

HESPERIAN SCHOOL (510-317-5201)
2004-05 Enrollment Requirements

STUDENT NAME _____ GRADE _____

Note: The San Lorenzo Unified School District (SLzUSD) has limited space at each school site. It may occur that your child may be assigned to a school other than their school of residency. Limited space also makes it necessary that the SLzUSD ensure that all students attending our schools are residents of the SLzUSD area and are attending a school in their area of attendance as assigned or as per approval of Inter-District Permit or Open Enrollment process. If the maximum number of students are enrolled at your child (ren)'s grade level, there is a possibility that your child may be shifted to another classroom should there be space available.
