

Local Control Accountability Plan

Steering Committee Meeting

May 4, 2020

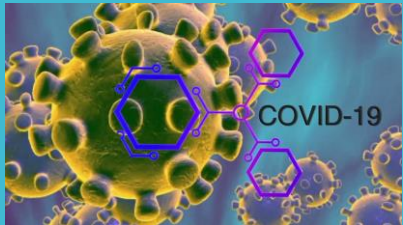

Welcome!

- Zoom Rules:
 - Everyone is on Mute during presentation
 - Use of Chat Box
 - Use of Raised Hands
 - Patience and Kindness!

The Zoom logo is displayed in a bold, blue, lowercase sans-serif font.

A Lot Has Changed!

- **Current Situation**

- San Lorenzo Unified has changed to a Distance Learning platform, due to the Shelter in Place orders from the Governor and County Public Health Departments.
- Many current state and local programs have been cancelled or put on hold due to the difficulties the school closures have caused
- State funding to schools is also predicted to be adversely affected by the closures—schools depend on state tax revenues; individuals and companies may not pay as much as normal, due to a greatly reduced economy and job loss.
- All state assessments have been cancelled, which includes the suspension of the Data Dashboard process and Differentiated Assistance programs

A Lot has Changed!

- LCAP is also Changing
 - As of Friday, April 24th, the state legislature took legal action to separate school district funding from the LCAP plan
 - District funding won't be released until August, and may include drastic cuts to Supplemental/Concentration Grant funds and other funds
 - The LCAP plan itself has been put on hold, and will not be due until December 15th (due prior to the ACOE and Board of Education for approvals).
 - A new LCAP template will also be developed for the new due date

A Lot has Changed!

- New: District Operations Plan
 - A plan for how the school district will operate to support our English learners, low income students and foster youth (unduplicated students) from August-December will be due to the CDE by June 30th (Board meeting June 16th)
 - The template for this plan was released on May 1st.

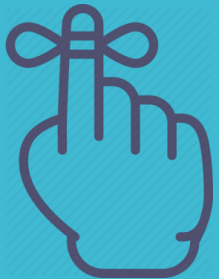

Role of the LCAP Steering Committee

- Review the Operational Plan proposal for how the district will support students in the fall
- Provide input and feedback on the proposal
- Continue to provide input and feedback on the LCAP Plan development as we move into the 2020-21 school year
 - Learn more about how any budget changes may affect our district
 - Support the development of the new LCAP

Where we left off.....

- March 2020
 - District had completed budget cut process
 - Differentiated Assistance goals had been developed in collaboration with the ACOE
 - New schools identified as participating in Comprehensive School Improvement—Colonial Acres exited the program, and Edendale and Royal Sunset have entered the program
 - LCAP Steering Committee was set to meet to review how each of these processes had changed the current LCAP actions and begin the discussions for plan development for the 20-21 school year

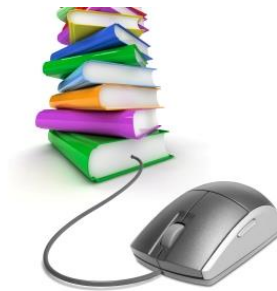

How Do We Proceed?

- Discuss Distance Learning and options for the fall, should we need to continue to shelter in place or social distance ourselves
- Discuss current LCAP action plans, and modify language in the plan to support both regular school operations and distance learning operations

Distance Learning

- Current Distance Learning Plan and Supports for Families, Students and Staff
 - www.slzUSD.org
- Distance Learning Plan options for the fall
 - Option 1: Continue with 100% Distance Learning
 - Option 2: Phase in plan with partial distance learning

Open Discussion

- What questions do you have about Distance Learning?
- What would be important to address in an Operations plan that includes Distance Learning in the fall?
- Go to Zoom Breakout Rooms
 - Return in 20 minutes

Whole Group Share Out

- Your feedback will be used to help support the writing of the DRAFT Operations Plan
- Link to feedback form will be emailed

Current LCAP Plan Actions with Recommended Changes

- Share and Review Current LCAP plan actions with recommended changes via email
- We may use this document as a basis for our Operations program, along with Steering Committee feedback
- Working document; will be revisited and finalized as the new plan is in development

Next Meeting

- May 18th, 6-8pm
 - Review Operations Plan Draft #1
 - Review LCAP actions revised document
