# **Celebrate Taxpayer-Funded Improvements at Hillside Elementary School**

## **You're invited to a Ribbon-Cutting!**

**J**oin us at Hillside Elementary School on Oct. 30 as we celebrate and dedicate a newly expanded and reconfigured parking lot and family drop-off area, plus a new accessibility ramp.

This improvement continues more than 10 years of construction and modernization at this beloved school, which is a hub of both student learning and community engagement.

Past improvements have included a new library, a new roof, modernized restrooms, hydration stations and extensive security enhancements. All these have been paid for with funds from voter-approved bond measures.

### **Ribbon-Cutting**

**4 p.m.**

**Wednesday, Oct. 30**
